

Milker's Helpers

718 Series

Best of Both Worlds

Natural / synthetic blend. Iodine-resistant
Holds up against most pre-dips, post-dips & udder rubs

Stronger-Longer

Superior puncture-resistant protection
equals extended wear time.

Touch-Sensitive

5 mil palm, 6 mil finger thickness with a 10 inch length
Superior dexterity with barrier thickness "built-in"

Supple Support

Form-fitting comfort; supports hand muscles
against stress and fatigue during
all milking procedures.

Extra Clean

Unique manufacturing process results in a superior
clean glove for the user's skin.

Low Powder

Powdered gloves have therapeutic rice starch instead
of corn starch for ease of donning & doffing,
resulting in less potential for hand irritation.

Unique Guardian Blue Color

Milker's Helpers are made of NITEX!!!

APPLICATIONS TO INCLUDE:

Designed for various uses in and around the milkhouse
